Planning for your visit:

Parking: Thinkery validates up to three hours in the McBee Street Garage. We recommend entering the McBee Street Garage via the Robert Browning Street entrance due to construction in the area. Street parking is available. We recommend planning on additional time to park, especially on **Sundays** due to the highly attended weekly farmers' market in the Mueller neighborhood.

Check-in: To expedite your entry we are offering check-in 30 minutes before your session time. **You will be able to enter the building once your session begins.** Check-in includes wellness questions and ticket scanning. Please have your tickets or order confirmation email on arrival.

Tickets: Your mobile tickets will be delivered via a secondary email from Thinkery Receipts. **Your ticket time is next to the QR code on your tickets.**

What if someone in my household is sick?

Following CDC guidelines, in the event that someone in your party is exhibiting symptoms or has been exposed to someone who has tested positive for Covid-19, you will be eligible to reschedule a visit at least 2 weeks from your original reservation date.

What if I miss my session time?

You may enter the building at any time during your 2-hour session. If you do not attend your session, your tickets will be considered a donation to Museum. **Tickets are non-refundable.**

By completing your purchase and visiting Thinkery, you are acknowledging that you are aware that there is an inherent risk of exposure to COVID-19 in any public place where people are present.
